

My personal experience taking Mandarin lessons here has been great. I have been to other Mandarin classes before. I find that conversing here in Mandarin has helped me grow in the language much more quickly. I definitely recommend it. Xueling, Credit-suisse

This is the right course for you if:

1. You have the working knowledge of a vocabulary of 1000 words, *and*
2. You have the working knowledge of 200 sentence patterns, *and*
3. You have the ability to make 2800 frequently used sentences.

Course objective description

1. Course focus

The main focus of the course will be on the development of your communicative competence in reading, speaking and listening. Meanwhile, you will learn to how to write comprehensively and systematically, which lays the foundation for the learning at an advanced level.

2. Course objectives

At the end of the course, you will have a command of a vocabulary of 1450 words, covering different aspects of life, such as socializing, working and sightseeing. You will be able to use the words flexibly according to the context.

3. What does it mean practically?

1. You will be more confident of coping with more complicated conversations in a wider range of social contexts.

2. You will be able to conduct certain fairly complex functions, such as asking for justification, making arguments, and asking for clarification.

3. You will be able to make some comparisons between British and Chinese culture and express them in Mandarin.

4. Have a glimpse of what you could achieve with us

1. ½ æ±%øè-è-á¼—çœÿá¥½ã€,
