

"Lessons with Ming productive and challenging, but more importantly fun. I looked forward to going to class and found my Chinese improved by the hour. She is an excellent teacher with a very interactive approach. Studies are tailored to meet the student's needs and interests. Now that I am moving to China, I wish I could take her with me. I doubt I will find a better teacher!" --- Emily, CNN

This is the right course for you if:

1. You have the working knowledge of a vocabulary of 700 words, *and*
2. You have the working knowledge of 160 sentence patterns, *and*
3. You can make 1600 frequently used sentences.

1. Course focus

The main focus of the course will still be on the development of spoken competence and listening competence. Meanwhile, you will learn how to read according to Chinese characters rather than according to Chinese Phonetics. This lays the foundation for the learning at intermediate level. In addition, it will also offer you more opportunities to explore Chinese culture.

2. Course objective

At the end of the course, you will have a command of a vocabulary of 1000 words, 240 sentence patterns and 2800 frequently used sentences.

3. What does it mean practically?

You will feel more comfortable handling more complicated conversations in a social context. You will not only be able to offer basic answers, but will be able to further develop a conversation to clarify your opinion. You will also gain a deeper understanding of the Mandarin language from a cultural perspective.

4. Have a glimpse of what you will achieve

1. The students will be able to express that they would like to join a tourist group to China.
2. The students will be able to ask for help with the photocopy.
3. The students will be able to tell you how they traveled to Shanghai ?
5. The student will be able to say have a nice trip!
6. The students will be able to tell you that there will be a birthday party next month.
7. The students will be able to tell you that they subscribed to The Times last Friday.
8. The students will be able to understand when being asked to show their passport ?
9. The students will be able to talk about a bad luck day.
10. The students will be able to ask how to send a parcel to China?
