Benefits for your kids

Inspire early childhood Mandarin learning in a creative and fun way

Creates a Mandarin immersion environment that develops listening and speaking skills.

Foster your child's imagination and creativity.

Spark your child's natural curiosity and enthusiasm.

Happy children Mandarin / Mandarin Playgroup FAQs

Q: What activities my children will do during the session?

A: It depends on which age group they are in. Basically, the younger ones will learn how to sing Chinese songs, Story-telling, art & craft, role play with puppets, etc. And the older ones will learn from a specific book plus some activities mentioned above.

Q: Can I join the session with my kid(s)?

A: We'd love to invite you to join if your kids are from 2.5 years old to 4 years old. This means you can play together with other kids and parents.

Q: Is it 1-2-1 or it is based on group?

A: Both

Q: What is the size of the group?

A: From 3 to 5 children in each group.

Q: How do your tutors teach?

A: We teach on a topic-based syllabus and our approach is to learn from playing.

Q: Where do the sessions take place?

A: Our tutor travels to offer 1-2-1 tuition. And the parents take turns to offer the venue for the groups.
