The Course Objectives

This course introduces Chinese characters writing and reading to you in a highly comprehensive and systematic way. It will give you a working knowledge of them.

2. Course objective

At the end of the course, you will be able to write and read 851 Chinese characters and understand articles on different topics with these characters.

3. What does it mean practically?

On the completion of the course you will have learnt 851 out of the 950 Chinese characters. These are the most used characters and cover 90 percent of those printed in books and newspapers. It will give you the key to understand the other Chinese characters. Learning Chinese Characters will be no longer as difficult as it used to be.

4. Have a glimpse of what you can achieve with us

Here are some examples of what you will be able to write and read on the completion of the course.
